

National Association for Holistic Aromatherapy

NAHA 2007 - 2009 National Board of Directors Election

Choose to become a representative of the Aromatherapy Community by volunteering your time, energy, and visions to the National Board of Directors. The following positions are open for election. President, Vice President, Secretary, Public Relations, Treasurer

Your Commitment: When deciding whether you would like to run for a particular position we would encourage you to ask yourself three important questions: 1) How much time a day/week can I truly devote to NAHA and its mission/goals? Will you be able to communicate on a daily/weekly basis and take on NAHA projects from start to finish? Do you have computer and email access?

2) Can I sustain this commitment of time and energy for 2 years? Becoming a leader within the association requires a commitment of vision, time, and energy. If you feel drawn to represent the aromatherapy community then please call for an application!

3) Have you been an active member of NAHA for the last two years? (must be either a Professional or Business Member in good standing for two consecutive years to run in the election).
