

NAHA BOARD OF DIRECTOR UPDATE

KELLY HOLLAND AZZARO
NAHA VICE PRESIDENT

Website

The NAHA Website continues to be updated on a regular basis with new additions to the FAQ section, including Aromatherapy Myths and Misconceptions.

A new FAQ section about Aromatherapy Schools, Instructors, Education and how to find the school or course that fits your needs is in the works and will include links to NAHA Approved Schools and Aromatherapy Courses.

The NAHA World of Aromatherapy VI International Aromatherapy Conference and Tradeshow webpage has been updated to include Conference Speakers and Workshop Presenter's bios along with Panel Topic & Panelists. A section has been dedicated to the Conference Sponsors & Tradeshow Exhibitors. Please share your support for NAHA and true Aromatherapy and mark you calendars for the WOA VI September 7-10, 2006 Boston MA. You don't want to miss this *empowering and educational* event! For more information and registration, visit the Conference section on www.naha.org.

The NAHA website has an online web-store which includes the NAHA Bookstore and provides online purchase of aromatherapy books, conference proceedings, aromatherapy journals and educational materials. Registration for the WOA VI Aromatherapy Conference is available at the click of a button. You will even be able to purchase online Conference raffle tickets for a chance at free registration to the event! Join or renew your NAHA Membership via NAHA's secure webstore, too.

Membership Feedback & Public Relations

NAHA Directors and the NAHA Safety Committee continue to assist NAHA with public email 'aromatherapy' inquiries that are received at the NAHA office. From the inquiries and responses we are able to incorporate the knowledge that is shared into the NAHA FAQ website section.

This has been a tremendous help for overall communications with the public, giving the NAHA Office ample time to respond to the membership's needs via email, phone and mail.

It is an enjoyable team effort that also provides group support and shared aromatherapy knowledge that helps to encourage and sustain aromatherapy education.

Aromatherapy Journal & Acknowledgements:

NAHA celebrated its 15th year! We hope the membership enjoyed the beautiful special anniversary issue. This year we will focus on 2006 issues and welcome Shellie Enteen BA LMT as part of the NAHA Journal Editorial Team! Please feel free to submit an article or research paper to be considered for publication in a future NAHA Aromatherapy Journal. Visit the Aromatherapy Journal webpage at www.naha.org for 'Writer's Guidelines and Submission Requirements'.

I hope to see you all at the next NAHA Aromatherapy Conference and Tradeshow! If you are unable to attend please consider one of the many exciting opportunities to part of this event by becoming a Conference Sponsor or donating to the Registration Goody Bags and Raffles. It has taken a lot of hard work and many hours on a daily basis to organize the conference from head to toe. I appreciate the learning experience and the continued support of the NAHA Directors, Board, Office and Members. I would also like to thank the many wonderful speakers and workshop presenters that I have been in constant contact with. You have inspired me to reach for the stars and you are a part of the success and growth of a conference that will truly be "Empowering the Aromatherapist Through Education!"

I join my fellow members in sending blessings to Jillian Alexander's family and friends. Jillian was a person of beauty, both inside and out. She will be missed! We continue to honor her memory and continue her inspiration for aromatherapy through the NAHA Jillian Alexander Aromatherapy Scholarship Fund.

All the flowers of all the tomorrows are in the seeds of today.
