

## **Appreciating Fragrances**

### **Eternity Summer for Men**

Dr. Geetanjali Ranade

Reminding you of your childhood memories of summer sea, 'Eternity Summer for Men' elicits modern, eternal feelings in the mind of user. It is dewy green, sweet floral fragrance which captures lovely time spent at the shore with sand, sea grass and ocean breezes.

As you wonder 'through' the fragrance, you experience 'ferny-aquatic heart' with some floral-fruity nuances, along the bubbly zest. A summer sparkling experience of walking through petals of jasmine, gardenia and lotus. The further you explore the fragrance; you become surrounded by fresh lush melon, violets, hyacinth, muguet and patchouli with lasting impression of musk and amber.

In perfumer's language, Eternity Summer for Men is described as:

Top note: Ozony sea weed, Bergamot, Tarragon, Verbena

Middle note: Floral, Lavender, Fruity

End note: Woody, White amber, Musk, Patchouli

Enthusiastic feel of bergamot, mingled with clean sea effect, refreshing tarragon and verbena taking you to relaxing ambience of lavender, eternity summer's amber patchouli help you to revisit the charms and nostalgia of your childhood.

The fragrance is wrapped in a Tender blue bottle, decorated with subtle sea grass motif, thus presenting mild airy 'pleasure fragrance' of dancing sea plants.

Childhood memories always are good for emotional health. Eternity summer, with eternal experience, not only calms and comforts, but it also tunes mind with heart. Wearing the perfume, with yellow-green and violet contrast, this fragrance helps you to experience innocence of childhood, refreshing your mind and soul.

Created by Calvin Klein 2006, Eternity Summer for Men, is correctly described as “A breath of freedom, like the air out on the open sea”.
